

2026 BENEFIT BENEFACTOR

BECOME A BENEFIT BENEFACTOR

The Center Benefit Concert will be held on Sunday, June 28th, 2026. As our only annual fundraiser, this festive outdoor event celebrates our community, the arts, and The Center's role where it all comes together. Revenue generated from The Benefit is used to maintain and improve our facility, subsidize lease and rental rates for nonprofits, and support Center events throughout the year. We've built a reputation for bringing tremendous talent that draws enthusiastic crowds, and invite you to join us as a Benefit Benefactor! **Be a part of this unforgettable evening—join us in making a lasting impact!**
